

# Welcome to Russian Blue Klubben's jubilee and breed show at Västsvenska Kattklubben's cat show in Gothenburg September 16-17

This year it is 70 years since the first Russian Blue cat, Anita of Finlandia, moved to Sweden. Russian Blue Klubben also celebrates its 40 year anniversary. This calls for a celebration!

On Saturday there will be a joint celebration of Russian Blue with speciality judging in different classes during the day and an anniversary dinner in the evening. We are also considering arranging a lottery. On Sunday we are planning a few shorter lectures/workshops about the breed and both days there will be Russian Blue items for sale. A slide show with photos of different Russian Blues will also be displayed.

You can find information on how to enter your cat to the show here:

We hope there will be many Russian Blue cats from far and near!

We would like to have photos of participating cats in the slide show. Send your photos to [rpfoto@russianblueklubben.se](mailto:rpfoto@russianblueklubben.se) Write "jubileumbildspelet" in the subject line. In addition, we are grateful for suggestions on topics and possible lecturers for Sunday. Send these to Ywonne Wildtberg. Do you have anything you would like to donate to our lottery? Information about this can also be sent to Ywonne. Contact Lena Hallström if you want to participate in the anniversary dinner. Lena can also give advice on accommodation. Information about the restaurant, menu and prices will come later. More information will come continuously. If you want to know more, please contact someone in the jubilee committee.
